## Chips

Tomorrow either the Colonial or Cardinal fans will get indigestion from their Thanksgiving turkeys. Personally we hope we won't have to phone the University physician for his advice, and although we wish Catholic University no ill fortune, we sincerely hope that their holiday will be marred by a defeat.

The annual scrap is getting to be a regular big-league affair, so to speak. Tickets, we read, can be bought for either one or two dollars (the price one chooses depending on whether or not he is staggish) and there will be reserved seats, cheering sections, "everything."

The Board of Editors has even caught the spirit, and has prepared a special page which football fans and ardent swains may remove from the paper and carry to the game, thereby saving the sum of twenty-five or fifty cents for programs (again the amount saved depends on the possession of a girl friend). What is even more unusual, we are assured that the information on this page is absolutely correct, a fact that is startling if not heretical to those who prepare programs.

To those who wish to make "a day" of tomorrow, the following program is excellent:

Sleep till noon. Eat. Attend football game at Brookland at two. Be at tea dance in Corcoran Hall at five. See a show at eight. Eat. Sleep. And more sleep.

And if you think it takes bravery to sit in the stands and watch the team play in this weather, think of the tug-of-war yesterday, when the losing team enjoyed a high-pressure shower bath from a fire-hose. Then be glad that you're neither a frosh nor a soph.

The amateur movie club is getting under way, and says it will produce a two-reel comedy drama for the Vodvil. We're letting you in on a secret when we tell you that we were offered a long-term contract by the club to play comedy parts—on the order of Will Rogers, you know—but we declined. The graft on The Hatchet is much better, and besides, our identity would be known if we were screened.

Bah! We always knew that these debaters were radical, and changeable, too. This week they favor Mussolini rule, and all it implies. Last week they decided that birth control had their approval, and several weeks before that, they demanded the election of Al Smith. Is nothing conservative safe in this world? Soon they'll be condemning the reliable, old, staid, and dignified Hatchet for its ancient ways, and perhaps even berating us, too.

Aren't students in Dean Doyle's classes lucky? First the Thanksgiving holidays, then he's going to New York to a conference of the interfraternity councils or something like that, and then he goes to Atlanta, and then come the Christmas holidays. And it's too late in the year to make changes in one's courses, according to Dean Hill.

Seniors are being asked again to promise ten dollars of their "earnings" yearly for ten years to the Graduate Endowment Fund. And as a further aid to the seniors, they are given one year after graduation, if they make the pledge, to make the first ten dollars.

That seems to be a fair proposition to us, for any graduate who received any value from his education could surely spare a ten-dollar bill at the end of one year's work. Any graduate who feels his alma mater isn't worth that much a year for ten years probably didn't get anything out of college except a degree anyhow.

Only the championship game in the interfraternity basketball series remains to be played, and we understand that political alliances will mean nothing when the Phi Sigs and the T. U. O.'s meet to decide which fraternity's goats will have the honor of shining the cup to be placed on the mantle piece.

As a confidential tip to Maud Crum, we suggest that he buy enough uniforms to outfit the two leading teams in each league, and then take the squad of thirty-odd men out and lick any basketball team he wishes. Those teams are good.

The Cherry Tree is running another of these infernal beauty contests, with the franchise limited to those who subscribe to the annual. Our fraternity is trying to decide how it's going to cast its two votes for Pi Phi, Chi O, and Kappa.

Meanwhile, see you at the fifty-yard line tomorrow.  
DICK ROLLO.

## ENDOWMENT FUND AIDED BY ALUMNI OF LAW SCHOOL

Smith and Hubschman First to Return Endowment Pledges

MISS MAIZE AND JOHNSON ADDRESS BOARD MEETING

Prominent Seniors of all Colleges Compose Student Committee for Solicitation of Funds

To members of the graduating class of the Law School goes the credit for returning the first two pledges of the current year to The Graduate Endowment Fund of The George Washington University. These pledges, received in the same mail, were made by Albert Hubschman, of the October graduating class, and Stanley Phillips Smith, who received his LL.B. last February.

The Board of Administrators of the Graduate Endowment Fund is particularly happy over Mr. Smith's pledge as he represents that class of students, so numerous in the professional schools, who have under graduate alma maters other than George Washington. Mr. Smith owes allegiance not to one, but to two other universities, since he holds his A.B. from the University of Michigan and his A.M. from Columbia University. Yet his devotion to George Washington has prompted him to become a subscriber to its Graduate Endowment Fund.

The total pledge to the Fund, which was founded two years ago, by the Classes of 1926, is now \$17,585.

An effort is now being made by the Board of Administrators of the Fund, with the assistance of the Student Committee, to place before this year's February and June graduates the opportunity of signing pledges. As the task of interviewing each senior personally is an enormous one, those seniors who wish to sign pledges are asked to do so without waiting to be interviewed. To facilitate the signing of pledges, a pledge blank is printed on page six of this issue of the Hatchet which may be clipped and mailed to the Alumni Office.

The Board of Administrators of the Fund met last Wednesday evening with the Student Committee which has been selected to carry on the work of perpetuating the Fund with this year's graduating classes. Among those who attended the meeting were Arthur F. Johnson, '15, Chairman of the Board; George Spangler, '27, and Margaret Maize, '28, of the Board, and Julia Harnberger, Louise DuBoise, Maude O'Flaherty, Harriman Dorsey, Emmett B. Litterl, Martin C. Flohr, Charles Laughlin, W. B. Clapham and William J. Ellenberger.

Margaret Maize, the representative on the Board elected by last year's contributors, spoke concerning the Fund. She told of the success of such funds in other institutions, notably Yale, whose alumni fund, founded 38 years ago, now amounts to well over seven million dollars. She also called attention to the fact that the yearly payments on pledges to the Graduate Endowment Fund amount to less than one dollar a month.

Arthur F. Johnson, Chairman of the Board of Administrators stated that if only one fourth of each graduating class at George Washington pledged to the Fund, it would amount with accrued interest to \$76,000, actual cash in hand, at the end of ten years, with \$110,000 pledged.

FOOTBALL TEAM TO BE FETED BY ALUMNI ASSO.

The football team will be entertained at a luncheon given in their honor by the Alumni Association on December 8 at the Lafayette Hotel at 12:30.

President Marvin, Coach Crum, the captain of the team, and some prominent graduate of the Law School will speak. Dr. Hunter, President of the Alumni Association, will preside, and Lewis Moneyway, Chairman of the Committee on Arrangements, has planned appropriate decorations.

This luncheon is being given by the Alumni Association as a whole, but is especially under the direction of the Law School graduates.

COLUMBIAN WOMEN PLAN MEETING

The Columbian Women will hold their regular monthly meeting on Tuesday, December 4, in Corcoran Hall, Room 1. From 4:30 to 4:45 there will be a social hour, with ladies of Columbian College acting as hostesses.

William Allen Wilbur, Provost of the University, will give an address following the social hour, speaking on The Obligations of Power. At 5:30 the business meeting will be held.

## Pep Smoker Will Be Held in Gym Tonight

Speeches, Lively Boxing Bouts and Motion Pictures to Feature Smoker

A pep smoker will be held in the gym at 7:30 o'clock tonight in preparation for the Catholic University game. The speakers will be President Marvin, Coach Crum and Captain Lopenman of the football team.

As part of the featured program "Rusty" Thompson has arranged a number of lively boxing bouts.

Another feature of the entertainment will be the exhibition of several short motion picture reels, ranging from last year's C. U. Game to the tug of war between the Frosh and Sophs held yesterday.

## DOYLE TO ATTEND FRAT CONVENTION

George Von Dauchenhausen to Accompany Dean to National Interfraternity Meeting

PLEDGES TO BE DISCUSSED

George Washington Representatives to Leave Thursday Evening for New York; Will Return Sunday

Dean Henry Gratton Doyle and George Von Dauchenhausen will represent the George Washington University council at the convention of the National Interfraternity Council which is to be held in New York on Friday, November 30, and Saturday, December 1.

The Hotel Pennsylvania will be the headquarters for the fraternity men while they remain in the metropolis. The first meeting of the representatives will be held at the hotel at 9 a. m. on Friday.

It is expected that among the other items of importance to be discussed are the questions of fraternity pledges living in the fraternity houses; rough house initiations; deferred pledging; and the scholastic standing of fraternity men.

Dean Doyle, advisor to men, and George Von Dauchenhausen, president of the interfraternity council of George Washington University, will leave late tomorrow evening and expect to return Sunday afternoon.

## FOOTBALL HOP WILL BE HELD ON DECEMBER 7

Entire Football Squad to be Honored at Annual Football Dance

In keeping with the usual custom the G. W. Club which is composed of letter men of the University will sponsor the football hop which will be held on December 7, from 10 to 1, in the gymnasium.

Plans have been going ahead at good speed for the last few weeks and the officers and committee of the Club feel confident that the dance this year will surpass by far any football dance ever given at the University. While it has not yet been definitely announced what orchestra will be engaged for the event it is rumored that a well known band will supply the music.

This dance, being in the nature of a special event for the football team, will be attended by every member of this year's squad. It is expected that the usual speeches will be requested from members of the team as well as from the coaching staff. We are assured, however, that they will be short and snappy.

Further announcement of the affair will appear in next week's Hatchet. Tickets will soon go on sale at the rate of two and one-half dollars per couple.

## "Y" Board Will Give Thanksgiving Dinner

## EXERCISES HELD IN CELEBRATION OF MASONIC GIFT

Foreign Service Chairs in New School of Government Formally Tendered

HON. NELSON JOHNSON SPEAKS AT CEREMONIES

G. W. Represented at Banquet Held at Continental Hotel Following Rites

A former G. W. U. student, Nelson Johnson, Assistant Secretary of State, addressed the first formal convocation of the foreign service branch of the School of Government of George Washington University last Saturday afternoon on the Meaning of Foreign Service. The conduct of the foreign relations of the U. S., he declared, has been the concern of all the people of the country rather than that of any individual leader or sovereign. Citing the introduction of telegraphy as a means by which the President was placed within one hour's reach of the Nation's most distant representative, Mr. Johnson asserted that the citizens of the country are equally as well informed of foreign happenings which may have a bearing upon the foreign relations of the United States.

The convocation, held in conjunction with the annual convention of the National League of Masonic Clubs, which is endowing two chairs in the School of Government, was opened by President Cloyd H. Marvin.

Check Presented to Marvin

Preceding the convocation, an informal conference of members of the league and university officials was held, at which time Roy A. McArthur, president of the League presented to the University, through President Marvin, a check for a portion of the fund which is being raised by the league for the endowment of chairs in G. W. U.'s School of Government. In accepting the gift on behalf of the University, President Marvin said: "Because many people have contributed to this cause and because their hearts are back of this contribution, it means far more than the material evidence which you present. The program is a great one and it is going to take the partnership of many people to bring it to its full realization."

Speakers at this meeting included: Professor Richard N. Owens, who holds the equivalent of one of the chairs thus endowed; C. Walter Young, who holds in equivalent the other endowed chair; Dr. DeWitt Cressant; Captain John H. Cowles, a trustee of the Educational Foundation; Professor Warren R. West; and the Dean of the School of Government, Dr. Charles E. Hill.

Banquet Held

Following the ceremonies at the University a banquet of the National League was held at the Continental Hotel. Representatives from G. W. on this occasion were President Marvin, Professor DeWitt Cressant and Dean Charles E. Hill. A number of the student members of the George Washington University Masonic Club were also present. The local club was recently presented with a certificate of honor by the Board of Trustees of the Educational Foundation for having contributed far in excess of its quota to the Foundation fund.

## CHERRY TREE WILL RUN CO-ED BEAUTY SECTION

Five Sororities Have Chosen Candidates For Competition Which Will Close December 1

Contestants for the Beauty Drive, which is being promoted by the Cherry Tree, are gradually being made known to headquarters. Among those sororities who have selected a girl to represent their immediate group are:

Alpha Delta Pi, Eugenie Le Merle, Chi Omega, Alice Walford, Kappa Delta, Mary Crowley, Phi Mu, Catherine Palmer, Sigma Kappa, Billie Wright.

All sororities are expected to have their representatives' names in at the Cherry Tree Office by December 1. The fraternities are also urged to name the girl whom they consider the most beautiful campus co-ed before December 1.

A campaign for subscriptions for the Cherry Tree will be held during December and lasting through the Christmas holidays.

## DRAMATIC CLUB TO MEET

The next regular meeting of the Dramatic Club which was scheduled to be held Wednesday, November 28, has been postponed due to the proximity of the Thanksgiving holidays. The meeting will be held the following Wednesday, December 5, in C. H. 23 at 8 o'clock.

## COLONIALS AND MAROONS ARE ALL SET FOR GRAND GRIDIRON TILT THURSDAY

Life and Death Struggle to Mark Bitter Annual Turkey Day Rivalry Between George Washington and Catholic University Elevens

BOTH TEAMS SEEK VICTORY TO BRIGHTEN POOR AND DISASTROUS RECORD OF SEASON

Both Coaches, Crum and McAuliffe, Promise Fighting Combination; Students Enthusiastic Over Annual Classic; Carey to Be Unable to Play; Crippled Crummen Eager to Give all for Buff and Blue

It won't be long now! Only a little more than twenty-four hours will elapse before eleven orange-clad warriors of George Washington University will line up on the Catholic University gridiron at Brookland against the sturdy Maroon eleven of Jack McAuliffe's team, in the biggest clash of the year for both schools. Promptly at 2 o'clock, the referee's whistle will send the two teams into action, and what will take place during the next two hours can only be answered Thursday night.

Probably never in the history of the two schools has the desire for victory been so keen. Both elevens have had rather disastrous seasons, neither winning over three games.

It is therefore essential that a victory be recorded tomorrow to keep the season from being a dismal failure for either team. A win for either the Colonials or the Cardinals would be the bright lining to an otherwise dark cloud, while a loss for either would only cast the year into even darker shades than those that now surround it.

## GHOST TO BE ON SALE AT THANKSGIVING GAME

Epicurean Number of Ghost to Make Appearance at Turkey Day Battle

The Epicurean number of the Ghost will appear at the Thanksgiving Day game with Catholic University.

The number will include six full pages of jokes, a number of clever sketches among which will be a full page cartoon by Rowland Lyon, and a series of portraits of "Famous and Infamous Epicures" by Betty Buntin. There will also be a number of illustrated jokes.

Articles telling of a series of amazingly frank and revealing interviews with nine of our leading profs on "Epicureanism" as they see it will also be included. "Saint-Hoocy," a new and interesting chapter of the Bible, "Timely Tunes," a return of John Mulligan with a "Theatre" article, and the usual sprinkling of humorous poems will complete the issue.

The next number of the Ghost will come out on December 20. All students who wish to submit literary or art contributions should send them to "The Ghost" by December 3.

## Turkey Day Tea Dance Arranged by Council

Victory Dance to Follow G. W.—Catholic U. Game on Thursday

Immediately following the George Washington University-Catholic University Football game on Thursday, the Interfraternity Council will hold what they hope will be a real Thanksgiving Victory Tea Dance.

This dance, which will be given in Corcoran Hall from approximately five until eight, will be at the regular subscription of one dollar couple or stag.

Mulford's Music is being featured, as will a number of fraternity and sorority songs which are now being arranged by Kenny Mulford.

In all this dance is expected to be one of the best to date.

## LIBRARY WILL CLOSE FOR THANKSGIVING VACATION

## MASONIC CLUB

A few months ago an announcement was broadcast throughout the United States that our University was the recipient of a gift of one million dollars from Scottish Rite Freemasonry. The money so donated was for the establishment of a School of Government at this University, a school in which the principles of American democracy, as enunciated in the teaching of our Constitutional forefathers, were to be taught to the young manhood and womanhood entering our gates.

Now comes another Masonic group, The National League of Masonic Clubs which has endowed two chairs in that new school which shall be devoted exclusively to the teaching of subjects which may prepare our students to fill positions of international trust and honor.

This national organization is represented here by a small but loyal and devoted group of members of the Masonic fraternity, styling themselves the George Washington University Masonic Club. A short time ago that organization was formally presented with a certificate of honor by the Board of Trustees of the Educational Foundation for having contributed far in excess of its quota. It is only through the efforts of this small group and similar groups throughout the United States that these Chairs will be maintained. Surely our Club must have served as an inspiration to clubs far removed from our campus in distant states who must have ever kept a watchful eye upon the Club at G. W. And it is with a just pride and appreciation that we congratulate you, G. W. U. Masonic Club, on your present attainments.

## CRUMMEN DETERMINED TO WIN

The battle to be staged tomorrow afternoon will be the hardest fought contest in local football history. Both the Buff and Blue, and the Catholic University elevens have had disastrous reverses this season. But victory in the coming game would scratch for the victorious team the dark spots on its record this season.

To George Washington students a victory would mean a good vengeance upon the Cardinals who have cast mournful shadows on this University on many a day of Thanksgiving. Victory would mean a most successful season for the Buff and Blue, in spite of its early defeats from other teams.

The members of our team that will go down in football history as the "Crippled Crummen" will line up at the Brookland field tomorrow as crippled as ever, but they are ready to give their all. If determination ever helped a winner, the Crippled Crummen have all the help they need.

George Washington students, true to tradition, will turn out at the Brookland Stadium to back the heroic eleven that will fight for everlasting glory to the Buff and Blue. The George Washington spirit will greatly aid the team to gain victory in this most hotly contested battle.

THANKSGIVING, with its usual accompaniment of turkey and parties is with us again. It brings, however, the disadvantage of missing classes for three days, which is quite a blow to the student body, but which will probably be borne with commendable fortitude. With the game and one thing and another, the time will be well occupied, no doubt. Anyway, we'll see you at the tea-dance Thursday, and we'll do a little celebrating of the big G. W. victory—or else!

The Gate and Key dance given on Friday, November 23, at the S. P. E. house was pronounced the success of the year. Three stags from each fraternity were invited and helped the members of the society to "keep things going," although there is considerable doubt as to whether they really needed any help along that line.

Sigma Chi is holding its formal Thanksgiving dance tonight at the Carlton Hotel.

The S. P. E. Thanksgiving dance will be given tonight also at the chapter house.

T. U. O. is giving a formal dance at the chapter house on Thanksgiving night.

The Phi Sigma Kappas gave an impromptu party, to celebrate the victory of their team in their league, after the game on Saturday, November 24. The improvised orchestra fulfilled its duties nobly, and everyone seemed to have a big time.

Sigma Nu will give a Thanksgiving dinner for members and guests at the chapter house on Thanksgiving day, preceding the football game.

Maude O'Flaherty will spend the Thanksgiving holidays with Eunice Rustin at Salisbury, Maryland.

Theta Delta Chi is having a Thanksgiving dance at the house on Friday, November 30. The music is to be furnished by the Dagmoir Band.

The Phi Sigma Kappa Thanksgiving dance on November 30 is expected to be a big success. The dance will be held at the chapter house to the strains of the Dagmoir Band.

The Pi Phi announce the marriage of Christine Larsen to Mr. James Landers on November 23 at 4:30 at All Souls Church, Chevy Chase.

The S. A. E.'s are giving a big dance tonight, the first in their new home. Everyone expects as much of a success as in the days of the old house.

Chi Omega announces the formal pledging of Doane Williams, on Wednesday, November 21.

Quite a few George Washington "co-eds" were seen at the Kappa Alpha House at Maryland at a dance given on Tuesday, November 20. Among them were Frances Robinson, Harriette Rissler, Billie Wright, Martha Williams, Donna Scott-Smith and Hylda Wrenn.

Beta Alpha chapter of Zeta Tau Alpha was honored by a visit from Miss Mildred Spragg, National Inspector of the fraternity, from Thursday until Sunday last week. Thursday night a formal dance was given for her at Bannockburn, and Sunday afternoon a tea was given in her honor at the home of Thelma Lochler.

The T. S. G. gave a supper dance at the Madrilon on Thursday night, November 22.

C. W. Staub attended a week-end party in Laurel, Maryland.

Octavia Sykes, Lenore La Fount, Mal Sykes, and Connie La Fount were guests at a dinner party given in honor of Vice-President elect Charles Curtis by Dr. John Nathanson in the Japanese Room at the Mayflower on Saturday, November 17.

The Kappa Delta Sorority will give a "Sing" at its house on Thanksgiving.

Margaret Schwartz entertained the Chi Omega Chapter and other friends at a Trousseau Tea on Wednesday afternoon, November 21, at her home on Northampton Street.

## Sailors Beg Master Mariner for Favorite Pipe Tobacco

Larus & Bro. Co., Malden, Mass.  
Richmond, Va. March 10, 1928

I have been a Master Mariner for many years, and as a general rule all seafaring men smoke a pipe. I have tried about all the different brands of tobacco on the market, and in my estimation, there is not one make of tobacco that will compare with Edgeworth Slice for a good, cool, long smoke. Sailors would come to me and say "Capt., be sure to put in a good supply of Edgeworth when you fill up the canteen." That speaks for what the average sailor thinks of Edgeworth.

I retired from the sea six years ago, and the largest grocery dealers in Boston keep me supplied with this wonderful smoke. I take great pleasure in boosting it to my friends.

Very truly yours,

Final Games

WINNERS WILL MEET

Champs in Decisive Games Satur-  
day Night

Championships of both fraternity basketball leagues were decided last Saturday night in two games, in which Theta Upsilon Omega and Phi Sigma Kappa came out on top in their respective contests to win the championship of each league. Each team went through the league season without the loss of a game, thereby winning the right to meet each other in the game which will decide the championship of the inter-fraternity series. The winner will receive the silver loving cup awarded by the Interfraternity Council.

The final standing of the two leagues at the close of the season were:

League A		W.	L.	Per.

### Phi Sigs Win

In a game in which all doubt was dispelled as to the comparative merits of the two teams, Phi Sigma Kappa romped to an easy 28-19 victory over Sigma Alpha Epsilon in the deciding game for the championship of League A. The Phi Sigs, exhibiting a wonderful passing combination and an impenetrable defense, opened wide their bag of scoring tricks, and ran up a big lead early in the game, never to be headed.

It was a big surprise to the three hundred who jammed the gym expecting to see a close game, but after the first few moments, it was definitely proven that the losers were out of the champions' class. The Phi Sigs continued to play that brand of basketball which led them to victory five times in as many games, and which definitely proved them to be the class of the league.

Sox and Thacker were the big men, offensively for the victorious quint, scoring eight and eleven points, respectively. Dick Castell, former Central star, also played a nice defensive game for the winners, so closely guarding Larry Knapp, the Sig Alpha ace, that he was unable to make more than one field goal. In fact, the entire Phi Sig team played brilliant ball in winning the championship, leaving no doubt in any minds as to the superiority of the two teams.

### Always in Lead

The victors were the first to score on a long shot and after that, were never headed. Leading at the end of the first quarter 14-2, the Phi Sigs increased their margin until the half found them in the van 17-6. It was then simply a matter of holding their opponents for the rest of the game which they did, at the same time (Continued on page 6)

## Soph Quint Beaten In First of Series

Team-work of Freshmen Predominates In 20-8 Victory

With their usual flashy play, the cocky Freshmen basketballers downed the Sophomores, 20-8, in their first official clash last Thursday. The Sophs scored the first point on a free throw by West, but were never allowed in the lead after that.

The keynote of the Frosh quint was teamwork. No one player was outstanding but they all starred. Thaden was high-point scorer, ringing up five points. Stanton, Castell, and Perry followed with four each and Leaverton made three. Because of frequent substitutions, the several scoring combinations of the Frosh squad could not seem to hit their strides which they have shown in previous games. The flashy little forward, Jeweller, was only in the game for the last few minutes.

The Sophs, unable to break down the Frosh defense, were held to three field goals, two long shots by Levine and one by Billisolly. Their line-up included several men who looked good, and with more practice, they will probably make a better showing in the next game, which will be played after Thanksgiving.

### The Summary:

FROSH (20)	Pos.	SOPHS (8)
Leaverton (3)	RF	Torcasio (0)
Thaden (5)	LF	Emanuel (0)
Hoover (0)	C	West (1)
Stanton (4)	RG	Topperman (0)
Goldberg (0)	LG	Levine (4)

Substitutions: Freshmen:—Castell (4) for Stanton; Perry (4) for Goldberg; Ginberg for Hoover; Jeweller for Thaden; Lynch for Leaverton; Golden for Lynch. Sophomores: Sawyer (1) for Topperman; Greenberg for Emanuel; Messina for West; Radcliff for Messina; Billisolly (2) for Levine. Referee: Dr. Thompson.

### FACULTY SEATS

Two field boxes on the fifty-yard line have been set aside for the faculty at the game tomorrow, and students have been selected to usher at these places and to reserve the seats for faculty members and their families, according to Coach H. Watson Crum.

## WOMEN'S HOCKEY TEAM IS DOWNED

G. W. Loses to State Teachers' College of Harrisonburg, Va., in Close Game

### SCORE OF MATCH 3-1

Opponents Make Two Goals in First Half, Scoring One in Last Period

The George Washington women's hockey team went down to defeat in the meet against the State Teachers' College of Harrisonburg, Va., on Saturday afternoon, November 24 by a score of 3 to 1.

Hilda Levi placed the first score for the visitors early in the opening half, and Mary Evelyn Bowers, former Western High School student, scored the second point made by the Harrisonburg aggregation.

In the second half Miss Levi accounted for another point for her team, after which George Washington kept the ball in the Harrisonburg territory the greater part of the period. Jenny Turnbull scored once for the home team, and threatened to make several other goals, but was checked inside the circle. A lack of punch in the final rush for the goal cost the local team the game. Miss Turnbull, however, played a brilliant game throughout. Miss Bowers, the base of the Virginia team's offense, was the mainstay of her team in the forward field.

The team from Virginia is now coached by Miss Helen Harbut, former director at Eastman School of this city.

The majority of the players on this year's hockey team at George Washington are new players. The development of this new material promises a much stronger team next year to come back after the slump this year.

Mrs. V. H. Russell, director of athletics at George Washington, was in the hospital several days last week with an injured knee, greatly handicapping the team in this game.

## SORORITY TEAMS MOVE TO FINISH

Kappa Delta and Gamma Beta Pi Head Two Leagues in Basketball Tourney

EUGENIA DAVIS, REFEREE

Kappa Delta, Pi Beta Phi, Phi Mu and Gamma Beta Pi Win Their Games This Week

Inter-sorority basketball continues. A double header was played last Tuesday evening, when Phi Mu defeated Kappa Delta, 13-2; and Sigma Kappa was defeated by Pi Beta Phi, 14-2.

Evelyn Nash was the outstanding player of the first game scoring 8 of the 13 points made by Phi Mu. Pullen also did some good playing. The Kappa Deltas did some good passing and Effie Wade intercepted several passes very well. Miss Davis umpired the game and Margaret Harrison was scorer and timekeeper.

The second game was played with five to a side, but even with this handicap Pi Phi showed good pass-work and teamwork. Marion Lum was their outstanding player, accounting for five of their seven goals. Jean Sime played well at center, always managing to get the ball up to one of her forwards. Miss Davis was umpire and Francesca Martin was timekeeper and scorer.

Thursday night, November 22nd, Phi Mu met Alpha Delta Pi on the basketball floor at 7:30, and defeated them with a score of 17 to 0. Nash played a brilliant game at forward for the winning team, scoring the majority of their baskets. The game was uneventful, showed signs of little practice, and was characterized by bad passes and fumbles.

In the second game on Thursday evening Gamma Beta Pi won over Delta Zeta by a score of 17 to 5.

The game was played at variance with all good rules for girls' basketball, with five players on each side, Lawton holding down the forward

territory for Delta Zeta alone. Crumley and Detwiler played their usual consistent games at forward for Gamma Beta Pi.

## GIRLS TIE A. U. HOCKEY TEAM

Alice Graham Scores Late In Game to Even Count 2-2

DEFENSE OF TEAM GOOD

Zimmerman and Beneson Provide Staunch Defense of G. W.

The George Washington hockey team played to a 2-2 tie with the American University eleven in the second match of the season on the ellipse field Wednesday afternoon, November 21.

The American University squad showed a marked improvement over last year's team. The game was close and well played. Beth Hill and Delsie Appel, the A. U. right wing and right inside, showed some remarkably good pass work and took the ball down the field countless times only to meet with the staunch G. W. defense of Betty Zimmerman and Martha Benenson.

Mary Sproul scored the first goal of the game giving the Buff and Blue the edge in the early part of the opening half.

Katharine Severance evened the count before the period closed when she scored for American University. In the second half Barbara Evans of American scored another goal and they held this 2-1 lead until the last 15 minutes of play when Alice Graham scored again for G. W., evening the count.

Twice after this G. W. rushed the ball down into the opposing shoot-

## COLONIALS END MOST DISASTROUS SEASON

American University Sole Team to Fall before Buff and Blue in 1928

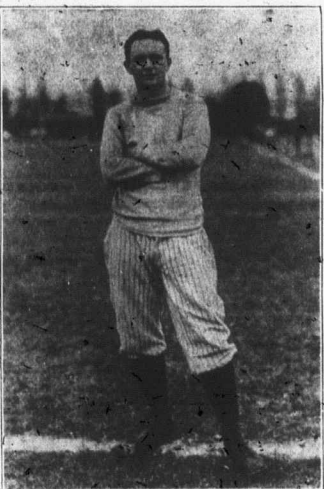

The George Washington Colonials have gone through their most disastrous season on record, having won only one game out of seven played. The caliber of opponents met has been much stronger than any foes of G. W. in previous years, and the Crummen's weakened team has proven no match for them.

Invading New York for their first game of the season, the Colonials dropped their opener to Fordham, 20-0. The following week the team went to Easton, Pa., where the powerful Lafayette eleven was too much for them and they were forced to take a 28-0 beating. Another weekend away from home found the second edition of the "Iron Men" at Altoona, Pa., where the St. Francis team walked off the field with a 32-0 victory.

Returning home for their next two games, the Hatchettes ran up against stone walls in both of their attempts. The eleven from the City College of New York, eager to atone for their 1927 defeat, more than made up for it by trouncing the Buff and Blue, and the next week another reverse was suffered at the hands of the William and Mary Indians who left the field only after vanquishing the D. C. boys, 24-0.

Going to Penn State, the losing G. W. team ran up against a team that had only been beaten once in its six starts. After an unfortunate first half, the Colonials came back strong to hold the victors to one score, but the 44 points amassed in the first two periods, by the Nittany Lions were too great to be overcome and a 50-0 score resulted.

It was only in the last game played by the Colonials that their scoring power was uncorked for the first time. Against the lighter American University team, the Crummen ran up three touchdowns to win 19-0, and the punch and drive shown in that fray was a decided improvement over former contests. Clapper, Berkowitz, and Barrow brought to mind the former brilliant back-field of last year in their efforts of that game and it was the only game in which the victors had scored this season.

My squad has been handicapped by injuries all season, and it is only right that we should enter the game as "under-dogs."

Although comparative scores indicate a win for C. U., I am confident my boys will give everything they have in an effort to upset the dope, and will show an unlimited amount of fight until the last whistle.

H. WATSON (MAUD) CRUM

## CARDINALS HAVE EDGE IN PREVIOUS BATTLES

Colonials Victorious in But Two of Eight Annual Games Played Since 1920

In eight meetings since 1920, the Catholic University Cardinals have triumphed over the George Washington Colonials six times, with but two games going to the Crummen. Not since 1924, when the Hatchettes were victors, 14-0, have they taken the measure of the McAuliffemen.

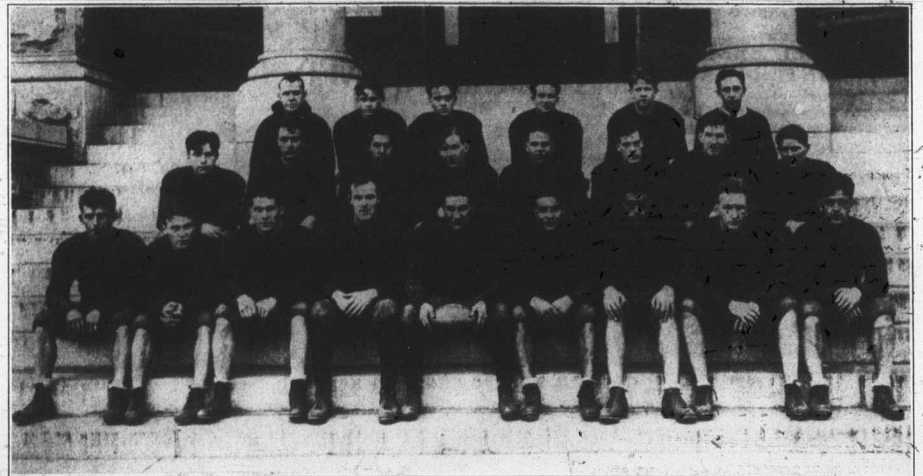

After resuming athletic relations, the Cardinals won the first two games, winning in 1920, 13-0 and following up the next year with a 19-7 victory.

Then the Colonials stopped the Cards' winning streak by winning 14-7 in 1922, for one of their two victories. The streak was short-lived, however, as the Catholics again turned in a victory the following season with an overwhelming score of 27-0.

Led by John Loehler, who was captain of the last G. W. team to score a win in the Turkey Day clash, the Colonials turned in a 14-0 win in 1924. This was the last time that a victory was scored by the Crummen over their Brookland rivals.

For the last three years, the Colonials have tasted nothing but defeat. Starting in 1925, when they were beaten by a 20-0 score, the G Street boys dropped their next two classics the following years, losing 17-9 the next Fall and being nosed out only 27-21 in 1927.

## BROOKLANDERS LOSE FIVE OF EIGHT GAMES

American University, William and Mary, Loyola in Baltimore, Teams Defeated

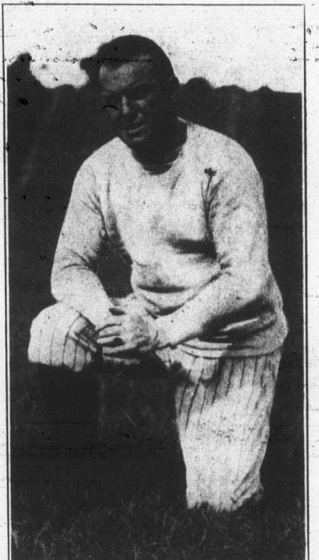

Although not up to the standard of former years, the Catholic University eleven has made a better record for the 1928 season than their Turkey Day rivals. Dropping five games, the Cardinals have, however, come through with three victories which tops the Colonials' record of only one win.

Invading Boston for their first game, the McAuliffemen were unable to stop the onrush of the Boston College eleven and lost to the Beaneaters by an overwhelming score of 38-0. However, the Brooklanders more than made up for it the following week by soundly trouncing the American University Methodists 69-0, at the C. U. Stadium. But they were helpless the next week and fell before the invading Villanova team, 19-0.

On October 20, the Maroon eleven traveled south to Williamsburg and in a thrilling battle, which was only decided by a drop-kick, subdued the William and Mary Indians, 13-12. But once again, the Cardinals failed to make it two in a row and lost to the Mt. St. Mary's eleven, 12-6, which was followed by their fourth defeat the next week at the hands of Rutgers, who trimmed them 12-0.

Resuming their winning ways at home, the Cardinals topped the Loyola eleven of Baltimore in a thrilling game at the C. U. stadium by a 21-13 score. The victors came from behind late in the game to score two touchdowns in the last half. The big surprise of the season, though, came to them when they went to New York for their last game to meet a team which previously had not scored a touchdown all season. The St. John's team came to life with a bang and ran up three touchdowns and a field goal to win 22-0.

Although injured this season, Malevich, Champa, Murphy, and Capt. Schmidt are now all ready to go and each one will be in the line-up when the first whistle blows on November 29.

Catholic University expects a closely contested, hard-fought, game of football next Thanksgiving Day with George Washington. As far as the outcome of the game is concerned previous scores of the respective teams should be utterly disregarded. Both teams have suffered through injuries and met with reverses, but on Thanksgiving Day the clean rivalry existing between the two institutions will produce a game of football between two inspired teams that will result in a repetition of one of the colorful, exciting games of past years.

## BUFF AND BLUE UPSET IN THRILLER LAST YEAR

Ironmen's Victorious Streak Abruptly Halted By Catholic U. on Thanksgiving, 1927

It was only last year that one of the most outstanding upsets of the 1927 season was recorded at Brookland stadium on Thanksgiving Day. The George Washington Colonials, entering the game as almost top-heavy favorites were downed by their arch-rivals, the Catholic University Cardinals by a close score of 27-21. In all justice to the losers, however, it must be said that the "breaks" went more than their usual portion of the way to decide the victory.

Although Clapper ran the kick-off back to a touchdown at the start of the second half to make the score 14-13, the Cardinals were never headed. Things continued to "break" for C. U. and the winners were ever in the lead, sometimes by only one point. Nevertheless, it was one of the most brilliant games ever played between the rivals.

Such stars as Stehman, Sapp, Hartzog, Walker and Clapper shone for the Colonials, while the winners looked to Foley, Murphy, Champa, and Malevich to carry their colors to victory.

## DEBATERS FAVOR MUSSOLINI RULE AT WEEKLY MEET

Italian Dictator Both Lauded And Condemned by Columbian Society

### ANNUAL FALL DANCE TO BE HELD AT ARABIA

Committee Designates Place of December 8 Affair; Tickets for Dance Ready for Distribution

Both bricks and bouquets were showered on Signor Benito Mussolini, of Italy, by the members of Columbian Debating Society at their weekly meeting last Friday evening, November 23.

The Italian dictator was lauded as a benefactor of mankind by some, while he was branded as a tyrant and usurper by others. When the question, "Resolved: That the rule of Mussolini is for the best interests of Italy," was presented to the house it was carried overwhelmingly.

Edward C. Gallagher and Charles V. Laughlin upheld the affirmative side of the question, and C. T. Shanner and Hearst R. Duncan argued for the opposing side. Shanner was drafted Friday night to take the place of John F. Jackson, who was unable to be present at the meeting.

#### Mussolini Praised

Edward Gallagher likened the Fascist leader to Bismarck, the unifier of the German states.

"Italy needed a Bismarck," he declared. "Mussolini was the man of the hour. He took charge of the weakening Italian government and made it one of the strongest of modern times. He saved it from internal and outside enemies."

"George Washington himself, like Mussolini, was bitterly criticized for his high-handed methods of carrying out things. That rule of necessity in 1776 is in its essence like that of Mussolini."

Shanner exploded several mouthfuls of sarcasm against Mussolini and his admirers.

#### Dictator Branded Usurper

"Who is this man Mussolini?" he asked. "Where did he come from? First we heard of him as a radical newspaperman. Then we heard of him usurping the Italian throne. He has ruled over Italy ever since."

"The Columbian Debating Society, the leading organization in this university supporting liberalism for over a hundred years, should not tolerate the insults of Mussolini against the democracy that we, as Americans, love and cherish."

Laughlin, the strong lover of strong government, expressed his great admiration for dictators, especially Mussolini.

#### Il Duce Would be Blessing

"What a blessing it would be if Mussolini were dictator of this country!" he ejaculated. "He would abolish the jury system in the United States."

"Mussolini saved Italy from a general strike by the use of dictatorial methods. He has forced capital and labor to submit to arbitration. Theodore Roosevelt and Woodrow Wilson were dictators of the Mussolini type. Duncan assailed bitterly the dictatorship of Il Duce."

"Shall we allow this society to be known as supporting a paternalistic dictator form of government instead of a democratic form?" he interrogated. "Should a man who lays down his life for his country be allowed to say something about that country?"

#### Mussolini Surpasses Napoleon

"Mussolini's dictatorial acts would make a Napoleon Bonaparte blush for shame. Mussolini has gone far enough."

The three-minute speakers from the floor enlivened greatly the debate. Their speeches were full of wit and sarcasm. James G. Wingo, George T. Mumaw, L. Dembitz, Richard Franklin Johnson, George E. Weigle, J. Lyman, H. Harper, Andrew Howard, B. Z. McLeroy, S. Alpher and Joseph Holcomb were the members who spoke on the question.

Several members were entered into the society last Friday. The society was honored by the presence of a number of lady visitors.

#### Russia to be Debate Topic

Next Friday the question to be debated will be "Resolved: That the United States should recognize Soviet Russia." The Interior Club, of the Department of the Interior, will support the negative side of the question. Rose Venitz, a Russian student of

## Students and Their Parents Ask Hundreds of Questions Daily of Josephine Parrish

Josephine Parrish of the University's Information Service, par excellence, doesn't know just how many questions she answers in a day. "Though often they easily amount to several hundred," she says.

Men call on the phone and ask whether a certain sorority dance is formal; mothers want to locate their fond progeny; outsiders are interested in getting the biography of a particular prof; and visitors want to know where classes are meeting.

As many as 800 students phoned in a day during a recent examination time, asking in what room their semester quiz would be held. These calls so tied up service that it has been found feasible to cease giving such information.

Not a week passes that several dozen parents don't want messages conveyed to their collegiate offspring. During rainy weather calls trouble with requests to tell "our Montrose, papa will come for him in the machine." But, as many "mamas" have already learned, the Bureau has no means of communicating with pupils.

Although questions both over the phone and desk are never ceasing it is difficult to find those, if any, in which Miss Parrish is not posted with an answer.

She knows everything that is going on in the University from the admission price of an athletic contest to whether or not Professor George Washington, Jr., will be in his office at 3 o'clock.

## SIGMA KAPPA HAS HIGH TOTAL AT COUNTY FAIR

The various sororities having booths at the County Fair have turned in to the Y. W. C. A. a total of about eighty-seven dollars. Sigma Kappa leads the list with eighteen dollars and thirteen cents.

The other sororities made: Gamma Beta Pi, seventeen dollars and two cents; Pi Beta Phi, thirteen dollars and sixty-one cents; Phi Sigma Sigma, twelve dollars and thirty-five cents; Kappa Delta, seven dollars and fifteen cents; Zeta Tau Alpha, four dollars and a half; Alpha Delta Pi, three dollars and eighty-five cents; Delta Zeta, three dollars and fifty-six cents; Alpha Delta Theta, two dollars and fifty-four cents; Chi Omega, one dollar and seventy-five cents; Phi Delta, one dollar and twenty-five cents. Phi Mu has not yet turned in their money, but it is said to be approximately one or two dollars.

The dance will be held on Saturday evening, December 8. The affair has been scheduled to start at nine o'clock.

Dance Tickets Ready

Each ticket for a couple or a stag costs \$2.00. Reservations can be made with the members of the committee—James G. Wingo, George E. Weigle, Karl Frisbie and George Simms. Members of Columbian have been urged to get their tickets as soon as possible because there are only a few left unreserved.

## LYON TO REPRESENT G. W. AT CONVENTION

Herbert Angel Unable to Attend Pi Delta Epsilon Convention

Rowland Lyon, member of the Ghost Board of Editors, will accompany Dean Henry Grattan Doyle to the Pi Delta Epsilon National Convention at Atlanta in December.

Herbert E. Angel, Chairman of the Hatchet Board of Editors, chosen with Lyon to represent the University's chapter will be unable to attend.

The Pi Delta Epsilon, an honorary collegiate journalism fraternity, was organized in 1909 for the purpose of encouraging undergraduates to compete for positions on the editorial boards of college publications, to train them in writing, to conduct lectures on journalism and to give dignity and standing to journalistic work and study.

A chapter was inaugurated on the campus in 1922. Membership is honorary with achievement in journalistic work being the essential qualification.

Georgia Tech and Emory chapters will entertain the 1928 Convention. Lyon will bear the local organization's invitation to meet in Washington in 1929.

Dean Doyle, for three years vice president of the society, recently conducted an editorial contest for the fraternity with prizes offered totaling \$270.

The University of Georgia and Georgia Tech football game will be a feature of the convention. Lyon is president and Angel, treasurer, of the local chapter.

"The sun never sets on Chesterfield's popularity!"

"Globe trotters", we can imagine Dr. Freud as saying, "are people whose nurses dropped them onto an escalator in early childhood. They buy a sun helmet, a guide book, and a first-class passage to the Pyramids, and are never heard from again."

Nevertheless, the most confirmed *voyageur* owns to a thrill at finding a carton of Chesterfields in a tiny cafe on the Left Bank,

or a package of the same on a card table at the Army Club at Simla, or on meeting an Arab camel-boy whose only English is "Sooch popular mos' be deserve!"

## TICKETS TO GAME TOMORROW READY

Reserved Seats Are Available at Gymnasium and Cashier's Office

### TWO PRICES ESTABLISHED

Cheering Section Open to Holders of Student Activities Cards and \$1.00

Tickets for the George Washington-Catholic University football game to be played at the Brookland Stadium on Thanksgiving Day are on sale at the University Gymnasium and the Cashier's Office. Two kinds of pasteboards are available this year, marking a distinct change from the custom of previous years.

Fans desiring to secure a reserved seat, may do so by paying two dollars a seat. These reserved sections located on the 50-yard line, contain 1,600 seats in the two sections, 800 being located on the G. W. side of the field, and the remaining 800 on the opposite side with the C. U. seats. These seats will be numbered and held until claimed by the holder of the ticket.

#### 800 Seats Reserved

For the rest of the seats, the general price will be one dollar a seat. Two special cheering sections of 400 seats each will be reserved especially for G. W. students who wish to sit together in a body on their side of the field. These seats will be located next to the individual reserved seats, and will be known as the "G. W. cheering section." Likewise, two similar sections will be reserved on the Catholic U. side of the field for Catholic fans.

These seats will be sold on the "first come first served" plan, and no one without a ticket, bearing the specially lettered section will be admitted to either of the two cheering groups. Also, it will be necessary for the holder of the ticket to produce his Students' Activities Card before being admitted to the special section.

With the exception of these special sections, the rest of the stands will be open to the general public, for one dollar a seat which will admit anyone to the grounds who may sit where he chooses. As only 1,600 seats are reserved for G. W. students on their side of the field, it would be advisable to call early at the designated places to secure a seat in the most desirable place, authorities state.

Substitutions: Phi Sigma Kappa: McClellan (4) for Toal, Perry for McClellan. Sigma Alpha Epsilon: Thompson for Whyte. Referee: Sumner (District Board).

### T. U. O. Crowned Champs

In the first game Saturday evening, T. U. O. proved their right to meet the Phi Sigs for the championship by downing Sigma Nu 34-27, to win the title of League A. Although not as close as the score indicates, the going was rather tight at times, but the winners were never forced into the defensive.

Tied at the end of the first quarter, 6-6, the T. U. O.'s forced their way into the van to lead at half time 21-15. However, the Sigma Nus came back strong after intermission, and battling on even terms kept the score to 25-21 at the end of the third quarter. The winners were not to be denied however, and outscored their opponents in the last period to make the final score read, 34-27.

Ford Young was high point scorer for the League A champs, dropping the ball into the basket enough times to total 13 points. He was closely pressed by Snyder of the losers, however, who ran up 10 points in his team's effort to stop the onslaught.

Line-ups for the game were:

T. U. O. (34) Sigma Nu (27)  
Herzog (8) . . . RF . . . Snyder (10)  
Young (13) . . . LF . . . Waller (3)  
Blaine (2) . . . C . . . Dooley (2)

Pomeroy (6) . . . LG . . . Crouch (4)

Substitutions: T. U. O.: Clayton for Young; Sigma Nu: Hill for Waller; Waller for Hill.

### Sigma Nu Wins

In a game which had no bearing on the championship, Sigma Nu trounced the Delta Eps 39-9. The losers were unable to stop the onslaught of the Sigma Nus who ran up point after point by their mad scramble for points. Snyder, Hill, and Craich all took a hand in the scoring of the winners with the first two running up 14 points apiece. The score was 16-9 at the end of the first half, the losers failing to register a point during the entire second portion of the game. The victory gained the winners an even break in their four games, with two wins and two losses.

Line-ups for the game were:

D. T. D. (9) S. N. (39)  
McOscar (5) . . . RF . . . Snyder (14)  
Fleming (0) . . . LF . . . Waller (0)  
Cluster (2) . . . C . . . Hill (14)  
Cornwell (0) . . . RG . . . Lundung (0)  
Parish (0) . . . LG . . . Wiegell (2)

Substitutions: D. T. D.: Ruddiman for McOscar; Christopher for Fleming; Van Ness for Cluster; S. N.: Doolery for Hill, Craich (9) for Lundung.

Sigma Nu continued its winning ways at the expense of the Sigma Chi five, winning 29-20.

### K. A. Beaten

Wednesday night saw two highly touted teams of League B come together in a game which was expected to produce some high-class basketball. Instead, Sigma Alpha Epsilon rode to a decisive victory over the K. A. team, the same combination which had fought it out with the Sig Alphas last year in the deciding game of the championship.

Thought to be one of the tight games of the league, the contest developed into a farce after the first few minutes of play. The K. A.'s failed to "get going" and before the game was very old, the Sig Alphas had a commanding lead roled up against their opponents.

The first quarter was fairly close, and resembled the contest that everyone expected, ending with the Sig Alphas in the lead 3-1. However, the next period saw the winners roll up point after point and before the bewildered K. A.'s knew what had happened, found themselves on the short end of a 26-3 count at the half. "Sticks" Lindsey, lanky center for the winners, was the big threat in this assault, leading his team-mates with 10 points. The losers failed to do no better in the second half, and waited until the last two minutes of the game before caging five goals in succession to bring their total up to 13. It was a decidedly

"off-night" for the K. A.'s who played their worst basketball of the past two years.

The Line-ups were:

K. A. (13) S. A. E. (49)  
Terry (0) . . . RF . . . Blaine (10)  
Phillips (4) . . . LF . . . Knapp (14)  
Alexander (4) . . . C . . . Lindsey (16)  
Highsmith (2) . . . RG . . . Rigby (2)  
Haddox (1) . . . LG . . . Whyte (1)

Substitutions: K. A.: Davis (2) for Terry; S. A. E.: Thompson (2) for Knapp; Nell (4) for Lindsey.

### Champs Continue Streak

Phi Sigma Kappa continued on its winning ways at the expense of the Kappa Sigma quintet, by running rough-shod over the Kappa Sigs, winning 41-18, thus giving some indications of what would happen in the final game with the S. A. E.'s who had difficulty in defeating the same team in two extra periods. Sox again was big man for the winners, rolling up 16 points for his team, closely followed by Thacker, Castell, and Gray, all of whom scored 4 points apiece.

Line-ups for the game were:

P. S. K. (41) K. S. (18)  
Thacker (8) . . . RF . . . Hoppman (8)  
Sox (16) . . . LF . . . Edwards (6)  
Fogel (7) . . . C . . . Mack (2)  
Castell (8) . . . RG . . . Popham (2)  
Gray (8) . . . LG . . . Cannery (0)

Substitutions: P. S. K.: Perry or Sox; McClellan for Toal; K. S.: Alewine for Edwards; McGregor for Mack; Bowman for Alewine.

### Acacia Takes Third

Acacia played itself into third place in the league standings by taking two games last week, beating the P. E.'s 32-14 and receiving a forfeit from the K. A.'s. Corbin was

leading scorer for the winners, rolling up 18 points while Holmes and Igtyka were holding the S. P. E. forwards to few goals: "It was the second win in four starts for the Acacia team who were handed a forfeit by the K. A.'s on Friday night."

Line-ups for the game were:

Acacia (32) S. P. E. (14)  
Wangler . . . RF . . . Billisley (4)  
Charade (4) . . . LF . . . Roberts (0)  
Orbin (18) . . . C . . . Chambers (4)  
Edmont (3) . . . RG . . . Davis (2)

Substitutions: Acacia: Holmes for Wangler; S. P. E.: Roberts for Orbin.

## COLONIALS READY TO GO IN SEASON'S BIG CLASSIC

(Continued from page 1)

let the Red Birds feel his presence tomorrow. McGrew played with the Freshmen last year, and will be starting his first game against the Catholics.

At the tackles, will be found Van Meter and Blain. The former played with the Colonials in 1926, but did not return to school the following year. "Charley" is a brilliant player and made "ah-hi" team when playing at Central. Bill Blain is another youngster just up from the Freshmen squad but has acquitted himself well in games this year. Goldman and Rogers will be found at guards. "Mike" needs no introduction, having proved his worth to Hatchettes in recent years, while Rogers is another sophomore playing his first year on the regular eleven. "Rocko" Clements is assuming Carey's place at the snapper-back post, and making a good job of it.

The backfield will consist of Clapper, Berkowitz, V. Frazier, and Barrow. "Babe" Clapper will be playing his first full game since being injured at Lafayette, but if he shows anywhere near the form that he displayed against American U., should give the Catholic line a run for its money. He was largely instrumental in piling up the score against the same team last Thanksgiving.

Berkowitz is another playing his first year on the Varsity but from the showing he has made to date, looks like a seasoned player. Although small, "Berk" has torn through the opposing lines with a vengeance this year and should handle himself well tomorrow. Frazier and Barrow are two men who were with the squad last year and have shown that they know what it is all about in the games this season. Barrow, especially has played some brilliant ball, hearing passes with an accuracy akin to a veteran. "Vern" too, has played his part in a large part of the rushing.

Tomorrow afternoon will tell the story. If victorious, the Colonials will boast a season's success, but if failure marks their efforts, only gloom will prevail.

By STAGE DOOR JOHNNY

### COLUMBIA

Norma Talmadge in her latest United Artist sound picture "The Woman Disputed," is the current film attraction at Loew's Columbia Theater.

Miss Talmadge portrays a woman of the streets, who wins the love of two men, former friends. The story revolves around the triangle of two men and a girl. The locale is gay Austria before the war. The two young officers, one a Russian, the other an Austrian, form an affection for the girl whose life until the time she meets them has been a sordid one. She has been a woman of the streets, but under the mask of sophistication there burns the light of reformation. The trio is happy until both men realize that they love the girl. With the outbreak of the war they become enemies in war as well as love.

Development of the absorbing plot against a background of war-ravaged towns, espionage and adventure gives the girl, who has given her love to one of the men, the choice of saving in entire army corps from destruction or sacrificing her honor in the name of patriotism.

Added attractions consist of two Metro Movietone acts, Johnny Martin, star of Victor records, in musical novelties, and Odette Myrtle, musical comedy star; the M-G-M News, the Fox Movietone News, a Tone-Art Novelty, "Deep River," and an organ creerie, "Targets," by Charles Gaige.

### METROPOLITAN

"The Home Towners," which has been held at the Metropolitan for the second week, is a talking screen version of one of George M. Cohan's most popular plays.

The main characters are two middle-aged men who have been chums from boyhood days. P. H. Bancroft has preferred to marry and settle down in the old home town. Vic Arnold has gone to the big town and become a millionaire and is now, at a rather late date, engaged to a beautiful girl, Beth Calhoun. Bancroft, on being invited to be best man at the wedding, conceives the idea that his old pal is being hoodwinked and goes post-haste to set things right. Far from succeeding, he sets things violently wrong and is at his wits' end to set them right again.

Robert McWade appears as Bancroft, the role he created on the stage. Richard Bennett is seen as the supposedly ill-guided bachelor, Doris Kenyon as his misunderstood and spirited fiancée and Gladys Brockwell as the wife of Bancroft. The direction was by Bryan Foy.

Varied short reels complete the program.

### LEADER OF ORCHESTRA SEEKS MORE MEMBERS

New members are being sought by the orchestra which held its weekly meeting Friday, November 23, in Corcoran Hall. Tom O'Connell, a student in the University, is the leader and urgently requests the support of the student body.

The musicians include: First violin—Virginia Crocker, Ruth MacArthur, Gerhard Smitscamp, Mrs. Kittridge, Vernon Feldeser, Chester Williams.

Second violin:—Frank Marano, Genevieve Wimsatt, Beatrice Thom, Martha Loman.

Viola:—Professor Grogg.

Trumpet:—Irving Douglas, Francis X. Berman.

Piano:—Martha Benenson.

The next meeting of the orchestra will be in C. H. 1 Friday, 7:15 P. M. Meetings will be held regularly at that time.

### FOX

"Romance of the Underworld," a William Fox film version of the great stage play by Paul Armstrong is the screen feature at the Fox this week.

In the picturization of the producer, it is said, has thoroughly modernized the story, which tells of a speakeasy hostess who turns her back on the sordid life incident to such a calling and, learning to be a secretary, finally marries her employer and is happy until those of the old life learn of her whereabouts and endeavor to drag her down to the level of their lives again. In all, it is described as an absorbing tale of the "underground" night life of a great city.

Mary Astor, Ben Bard, John Boles and Robert Elliott are the featured players.

The stage portion of the program will be in the atmosphere of the greatest week in college football—Thanksgiving week. Many entertaining stars will appear in the stage revue, while the 16 Fox Tillerettes will again be a feature of the program.

Leon Brusiloff and the Fox Orchestra will offer an overture also fitting to the spirit of the week, while the Fox Movietone News will round out the bill with views of the day in sight and sound.

### PALACE

John Gilbert in his new Metro-Goldwyn-Mayer sound picture "The Masks of the Devil," now appearing at Loew's Palace, is the tale of a man without a soul; a super lover who stole hearts and stooped to knavery without a thought for ideals or religion.

As a young Viennese nobleman, he wins the love of the Countess Zellner only to forsake her for the innocent young fiancée of his best friend. It is only when the countess, played by Alma Rubens, attempts suicide and confesses that Gilbert is responsible for her downfall that tragedy arrives. Her husband attempts to kill the young aristocrat and is himself killed in the struggle. What follows provides the story with a distinctly novel twist.

On the stage there is the premier presentation of Boris Petroff's "Crimline vs. Jazz," produced under the direction of the producer in person. It features Wesley Eddy and the Palace Syncopators, Bayes and Speck, John Quinlan, Chapman and Snyder, Carl Dobbs and company, Nell Jewell and the Felicia Sorel Girls.

Added attractions include an orchestral feature, "An Ode to Thanksgiving," by Harry Borjes and the Palace Orchestra, the M-G-M News, the Fox Movietone News, a Tone-Art Novelty, "Deep River," and an organ creerie, "Targets," by Charles Gaige.

Clayton Hamilton Makes Speech For the Interests of "Beau Stratagem"

### OLD COMEDY PRAISED

Speaker Declares "Beau Stratagem" is Better Play Than "She Stoops to Conquer"

Speaking in the interests of "Beau Stratagem," the English restoration comedy to be presented in Washington the week of December 17 by the Players, famous New York organization of eminent American actors, Clayton Hamilton, author of "The Theory of the Theater" and similar works, gave a rapid review of the dramatic history of the Elizabethan and Restoration periods in an address, given in Corcoran Hall on December 20 at noon.

Due to the success of the revivals of the English drama masterpieces which the Players have gratuitously presented in New York for the past seven years, "Beau Stratagem" is being put on a road tour for the first time this year, it already being performed in Philadelphia. Heretofore, the Players, which boasts a leadership of Edwin Booth (founder), John Drew, Joseph Jefferson and its current president Walter Hampden, has given performances during the first week in June at the close of the regular theatrical season. Ranking actors have already contributed their services gratis to the all-star casts assembled from the club membership, among whom are Otis Skinner and Ethel Barrymore. Raymond Hitchcock, Fritz Scheff, Frances Starr and thespians of equal caliber are appearing in the 1928 production of "Beau Stratagem."

The Players' performances have been based on the same pro bono publico principle used in the subsidizing of the Comedie Francaise by the French government and in the municipal theaters in Germany, to perpetuate the finest drama in the language.

"Only after rehearsal" Mr. Hamilton said, "did the excellence of 'Beau Stratagem' become clearly apparent. We found it better than 'She Stoops to Conquer,' and amazingly modern." In fact in this play Farquhar shows himself two centuries ahead of his time in advocating reform for incompatibility nearly approaching the companionate marriage sentiment of today. The play held the American stage in the 1840's and was a favorite of George Washington.
